Communications

The PDAC regularly distributes news and information about the mineral exploration industry, and our efforts to support it, to our members. Please select the email communications you are not interested in receiving:

- Opt out of PDAC monthly e-Newsletter
- Opt out of PDAC Convention related e-Communications

Advocacy

The PDAC is interested in engaging with members on certain subject areas so your insights can contribute to our research and advocacy work. We would like to occasionally reach out to you based on your specific interests and/or expertise. Please indicate which of the following topics you would like to be engaged on:

- Aboriginal Affairs
- Corporate Social Responsibility
- Environment
- Geoscience and Innovation
- Health and Safety
- Infrastructure
- International Trade and Investment
- Land-use Planning and Land Withdrawals
- Mineral Exploration Financing Trends
- Regulatory Affairs (e.g. changes to federal Fisheries Act, Canadian Environmental Assessment Act)
- Securities Regulations
- Skills Shortage
- Tax and Fiscal Incentives for Mineral Exploration

PDAC Mentoring Program

The PDAC Mentoring Program connects experienced mineral industry professionals with PDAC student members and recent graduates to share knowledge and provide guidance in an effort to address the skills shortage and strengthen the mineral industry community. The Program offers the opportunity for one-on-one engagement over the course of a year that is tailored for both participants. Check the box below if you are interested in obtaining more details about the program.

- Yes, I would like more information about the PDAC Mentoring Program

Aboriginal Participation

The PDAC encourages greater participation of Aboriginal people in the mineral industry. Check the box below to indicate whether you self-identify as Aboriginal.
