

Professional Learning Events (PLE) – Options

1. Complete Training Session

Usually a stand-alone workshop; can be part of a conference or PD day if pre-registration and payment can be arranged. Full day (5-6 hours), half day (3 hours) and after school (2-3 hours) scheduling is available. In order for the event to proceed, a minimum of 10 participants must be registered 7 days in advance of the event date.

Cost for workshop **and** the resource kit:

- Deeper and Deeper \$60.00
- Mining Matters II \$65.00
- Discovering Diamonds \$75.00

Schools are encouraged to train more than one person for same fee (one kit received). Teachers can attend at no charge if space is available.

a) They act as host

- Host promotes, collects registrations and payment

b) Mining Matters as host

- We send out promotion, collect registrations and payment

2. Presentation Session

Usually at a conference or part of a larger PD day program where pre-registration and additional payment is not possible. No pre-registration is required. The length of the session may vary, but will range from one hour (min.) to 2 hours (preferred).

Hand-outs and/or a SWAG (*Something-We- All-Get*) bag may be provided to attendees.

Teachers will have an opportunity to purchase a resource kit following the event for cost (*outlined above*) plus fees associated with shipping and handling (\$13.00 - \$20.00 depending on location in Canada).

Since there is insufficient time to cover the resource in its entirety; participants will experience a selection of activities in the form of a guided tour.
