

PDAC Convention travel funding application

The Prospectors and Developers Association of Canada is committed to supporting opportunities for students to experience different facets of the Mineral Exploration Industry. The PDAC International Convention, Trade Show and Investors Exchange offers students a unique experience by providing many events designed specifically with students in mind. Students may apply for funding to offset costs of travel to the convention.

Please print, fill out and fax this form to:

Criteria eligible for funding:

- 1) Preference will be given to students enrolled in Earth Science programs
- 2) Applications will only be accepted from groups or individuals who are a part of a Canadian institution.

Guidelines:

- 1) the department chair or professor must sign off on the application confirming details
- 2) all funding applications must be submitted electronically to the PDAC's student liaison, Barbara Green Parker, for consideration by the Human Resources Development Committee. Applications will be accepted at any time of the year.

Funding:

Approved funding will be based on the number of students attending the convention, the expenses incurred, and the number of PDAC members within the group. The PDAC reserves the right to refuse any application and retains sole discretion to determine approved funding amounts to accommodate all requests received and anticipated throughout the year.

- All applications must include detailed estimates of all expenses.
- When/if approved, all cheques will be made strictly to the student group organizing the field trip or a special fund.
- The amount awarded will be in proportion to the number of PDAC student members listed in the application.

Please note that applicants cannot benefit financially from this application.

An incomplete form will not be considered for funding.
