PDAC 2022 Convention: The World’s Premier Mineral Exploration & Mining Convention (the “Convention”) gathers the international community of mineral exploration industry professionals together for education, networking and information sharing. As part of the Convention, the Prospectors & Developers Association of Canada (“PDAC”) and its Convention organizers (“the Organizers”) offer the opportunity to participants to register and participate in the online/virtual portion of the Convention, consisting of virtual presentations, exhibits, programs and other associated content (the “Online Convention”). In order to get the most out of the Convention experience, all Registered Participants are required to complete a Registered Participant Profile with a unique email. You are responsible for keeping your Registered Participant Profile up to date and accurate. Your Registered Participant Profile is shared with MeetingPlay and PDAC for the purposes of operating the Platform, and portions of your Registered Participant Profile may be shared with other Registered Participants, Exhibitors, and partners as further described in Section 5 of this Agreement.
