## Communications

The PDAC distributes news and information about the mineral industry, and our efforts to support it, to our members. Please select the email communications you are interested in receiving:

- Convention Crosscut** – Receive the latest updates about the convention and be kept informed on the various learning and networking opportunities. This digital newsletter highlights programming information, opportunities available for attendees, exhibitors, speakers and much more.
- PDAC News** – Stay informed about major developments and stories shaping Canada's mineral exploration and development sector. This monthly digital newsletter provides an important snapshot of everything our members and industry need to know.
- CORE Magazine** – Sign up to receive this digital-only magazine just three times per year. CORE promotes Canada's mineral exploration and development sector, informs readers about the trends, technologies and personalities who are influencing the industry, as well as the activities of PDAC.

## Advocacy

The PDAC is interested in engaging with members on certain subject areas so your insights can contribute to our research and advocacy work. We would like to occasionally reach out to you based on your specific interests and/or expertise. Please indicate which of the following topics you would like to be engaged on:

- Corporate Social Responsibility
- Environment
- Geoscience and Innovation
- Health and Safety
- Indigenous Affairs
- Infrastructure
- International Trade and Investment
- Land-use Planning and Land Withdrawals
- Mineral Exploration Financing Trends
- Regulatory Affairs (e.g. changes to federal Fisheries Act, Canadian Environmental Assessment Act)
- Securities Regulations
- Skills Shortage
- Tax and Fiscal Incentives for Mineral Exploration

## PDAC Mentoring Program

The PDAC Mentoring Program connects experienced mineral industry professionals with PDAC student members and recent graduates to share knowledge and provide guidance in an effort to address the skills shortage and strengthen the mineral industry community. The Program offers the opportunity for one-on-one engagement over the course of a year that is tailored for both participants. Check the box below if you are interested in obtaining more details about the program.
